

**WORKSHOP ON
REGULATORY ASPECTS ON HIT
ON
27TH MARCH, 2015**

About IIHMR

Institute of Health Management Research, Bangalore is premier Institution in the field of Hospital, Health & Health Information Technology and aspires to become a “State of Art Institute” by undertaking teaching, research, training and consultancy in the various areas of Health Care.

Being HIT one of the thrust areas of IIHMR – Bangalore, we are conducting a workshop on “Regulatory Aspects of HIT” which is 2nd in series of workshops on “Awareness on EHR”. The areas to be covered in this workshop are legal laws pertaining to Healthcare, Regulations pertaining to HIT such as data security, electronic signatures, data privacy, IT Attorneys, cyber laws, data integration, IT act, data transferring, etc.

Focus Group:

- Healthcare Administrators
- Hospital IT Departments
- End users of HIT in Hospitals (Paramedics & Support Department)
- Professionals Dealing with HIT in Hospitals
- Healthcare Students

*** *Renowned Speakers from Healthcare Industry***

***Participation fee: Rs.1000/- per Delegate**
